

BIRCH CREEK FOREST CORNHOLE RULES NON-SANCTIONED April 25, 2026

PLAYING:

- Boards are 2' x 4' and placed 27 ft from front edge to front edge
- Both players play one board at a time and stay in their designated lane for the whole game (right or left).
- Players start the game at one board and alternate pitching bags until each player has pitched all (4) of their bags.
- Players then walk to the end of their lane to the other board, take score, and resume pitching back to the other cornhole board.
- Players must deliver the bag with an underhanded release.
- Feet must stay behind the line of the front of the board at the time of releasing the bag.
- Once the game is underway, whichever player or team scored most recently throws first in the following frame.

SCORING:

- Games are played to 21 or more points. (no bust).
- A bag on the board is **1 point**, a bag in the hole is worth **3 points**. Bags that get pushed off the board or into the hole, by either player, still count as they sit at the end of the frame. If a bag contacts the ground at any time (e.g. lands short and rolls on to it) it is “dead” and should be removed.
- Cornhole uses “net” scoring. Whoever earns more points in each frame gets the difference between their score and their opponents. For example, if Alex puts 3 bags in the hole for 9 and Becky puts 2 in and 1 on for 7, Alex scores 2 points. If both players get the same number of points, it’s called a “push” and nobody gets any points. Whoever scored in the previous frame, pitches first in the next frame.
- Points are tallied after each frame. If one team has 21 or more points...they win!

COST: \$20.00 per team **AWARDS:** 50% Payout and/or other prizes
